*Easy Pool*

# New in the NIVEKO product portfolio

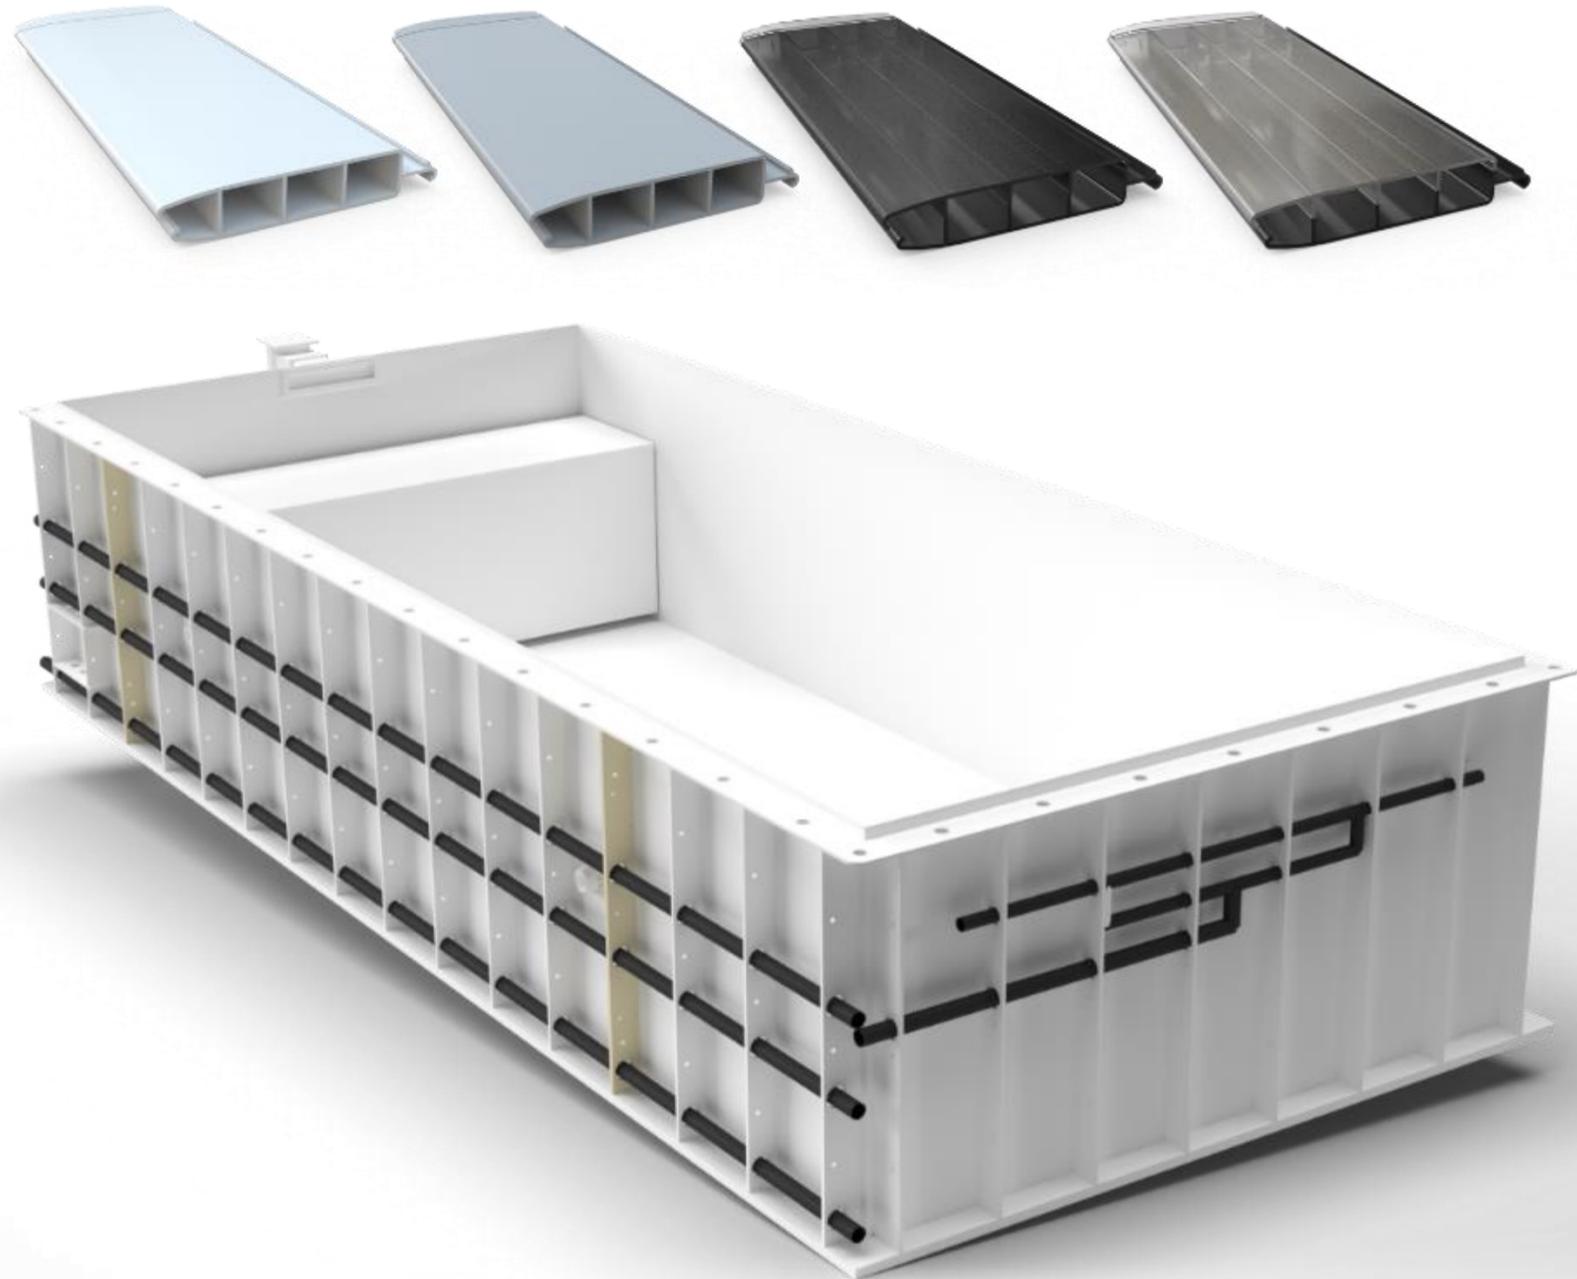

## WHY NIVEKO EASY POOL?

- For customers who are looking for a simple, affordable solution in NIVEKO quality
- Fine-tuned to the last detail
- No possibility of individual customization

## Specification:

- Skimmer Top Level, white colour
- Rectangular shape
- 3 sizes: 6 x 3, 7 x 3, 8 x 3.3 m
- Depth 1.5 m

# Construction elements

- Stairs Modern width 600 mm
- Slatted cover case incl. Aquadeck slats:
- PVC White
- PVC Grey
- PC Graphite Solar
- PC Platinum Solar
- Fixed position of PVC piping ends at Modern stairs

## Built-in parts

**6 x 3 x 1,5 m**

3 pcs recirculation nozzle Astral  
1 pcs bottom suction ASTRAL  
1 pc skimmer slim 500 ASTRAL  
1 pc light Duravision LED white,  
white cover  
1 pc Duravision 200VA transformer  
incl. remote control

**7 x 3 x 1,5 m**

4 pcs recirculation nozzle Astral  
1 pcs bottom suction ASTRAL  
1 pc skimmer slim 500 ASTRAL  
2 pcs light Duravision LED white,  
white cover  
1 pc Duravision 200VA transformer  
incl. remote control

**8 x 3,3 x 1,5 m**

4 pcs recirculation nozzle Astral  
1 pcs bottom suction ASTRAL  
1 pc skimmer slim 500 ASTRAL  
2 pcs light Duravision LED white,  
white cover  
1 pc Duravision 200VA transformer  
incl. remote control

# Filtration technology

- EASY POOL filtration set – manual filter backwash:
- Dosing WATERSENS pH/Redox
- Filter PPG 520-20" incl. 6-way valve
- Filter pump PPG MONO 10m<sup>3</sup>/h, 230V
- 230V switchboard
- Installed in a 1.5 x 1.5 x 1.6 m technology shaft with plastic cover

YOUR ORIGINAL!**

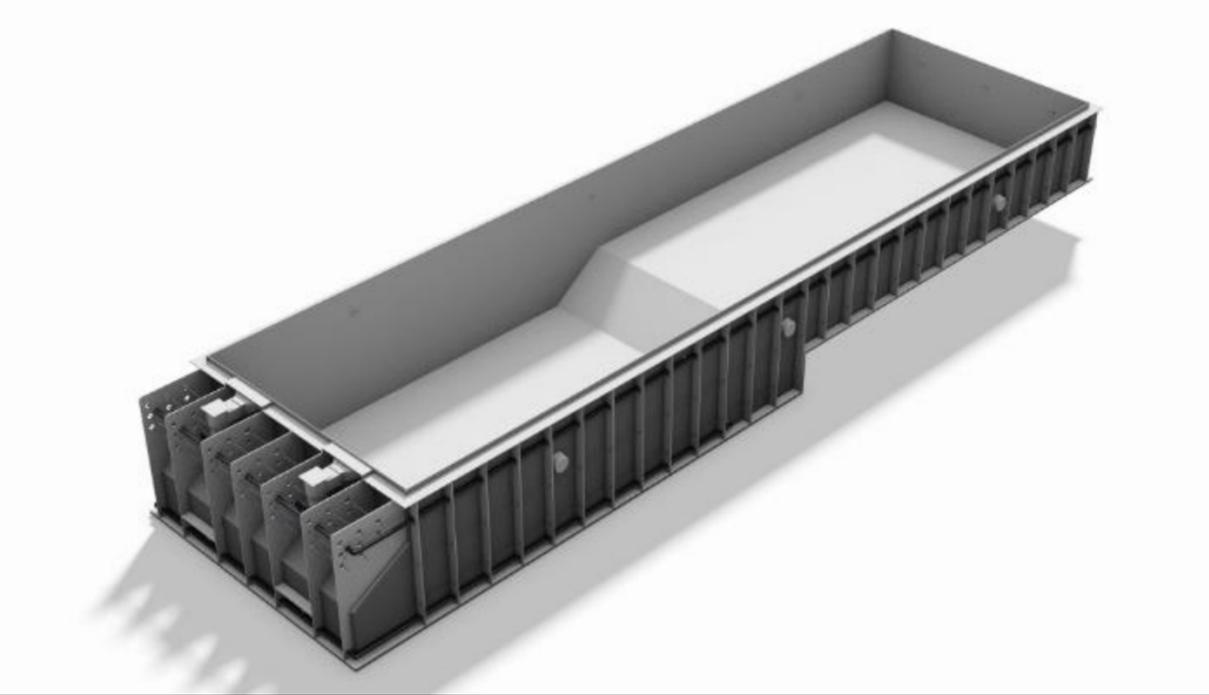

# SPECIAL SOLUTION

## Pools installed on-site

- For atypically shaped pools or transport of pools difficult to handle
- The final pool installation work is made directly on site

# SPECIAL SOLUTION

## Multi-level bottom

- Design concept that adds another dimension to pool functionality
- Allows you to create shallow and deep pool sections

# SPECIAL SOLUTION

## Oversized Pools

- Solutions for pools that cannot be transported by standard transport
- Preserving the benefits of one-piece pool delivery

# niveko

FUSION POOL

# niveko

## FUSION POOL

- Alternative to the standard range
- Specially adapted to use a natural type of filtration
- Concept fits in nicely with the NIVEKO brand philosophy
- Offer the classic advantages of NIVEKO Pools

# niveko

## FUSION POOL

- No chemical are used in the pool
- Complete harmony with the water element in its purest form
- In cooperation with our partners we supply the complete product

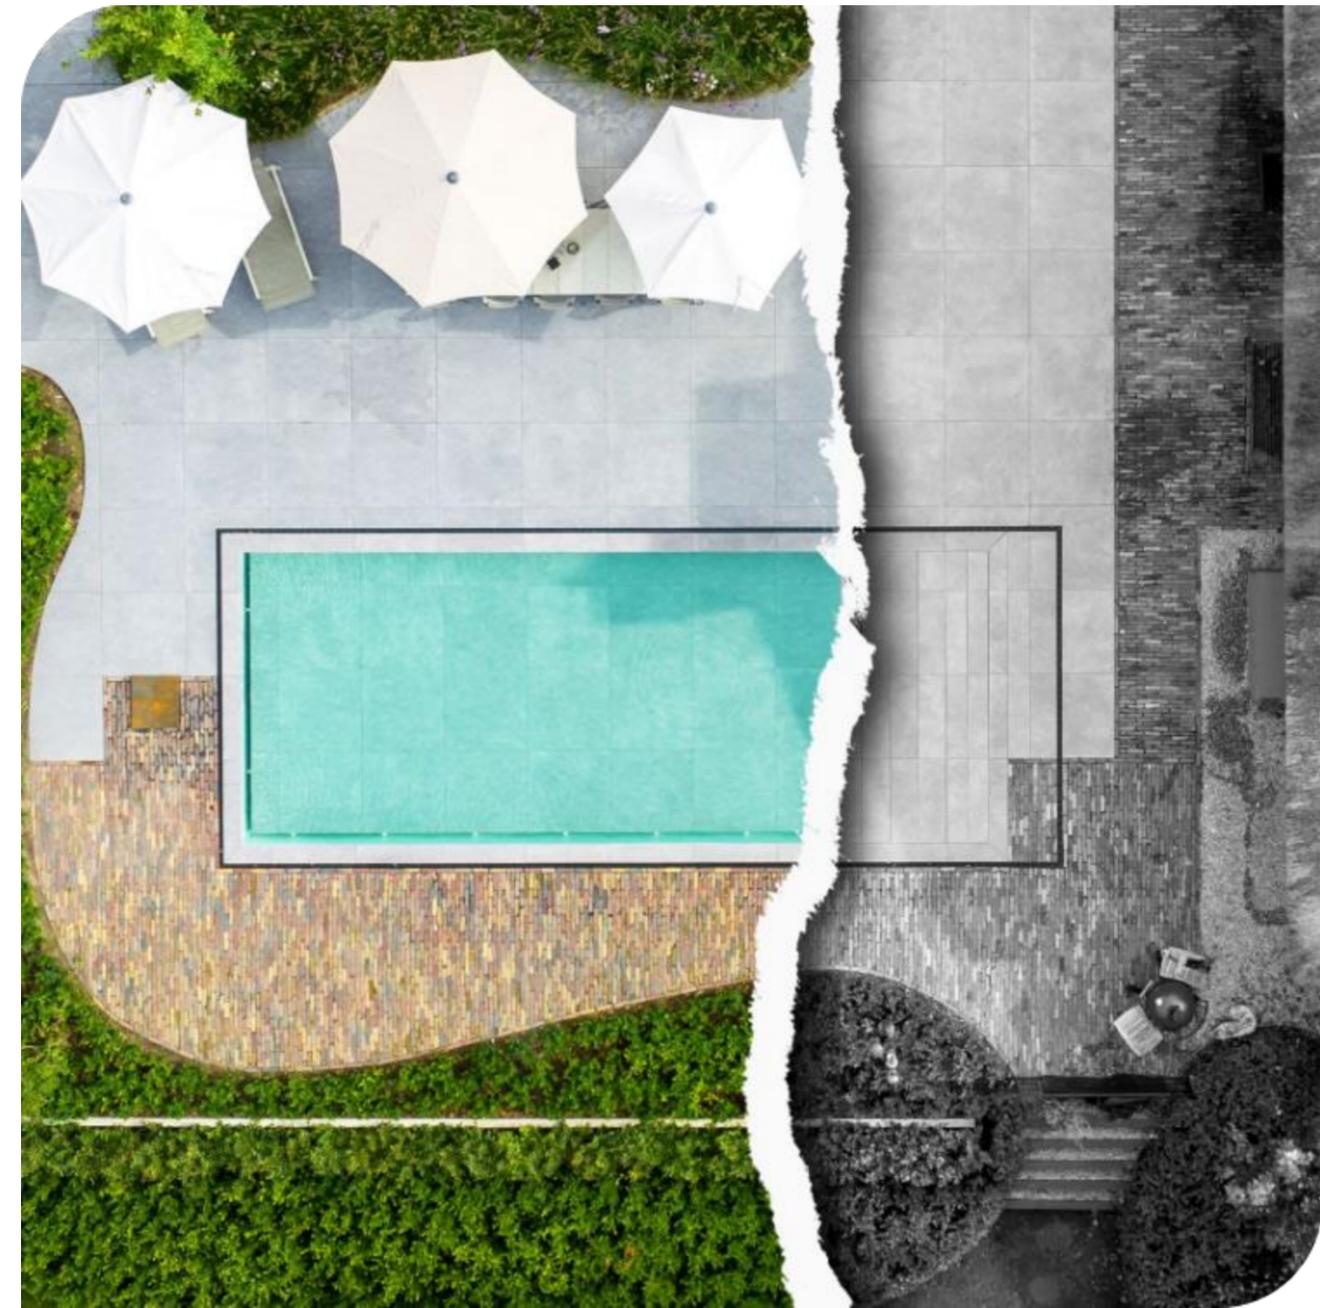

# niveko

MOTION POOL

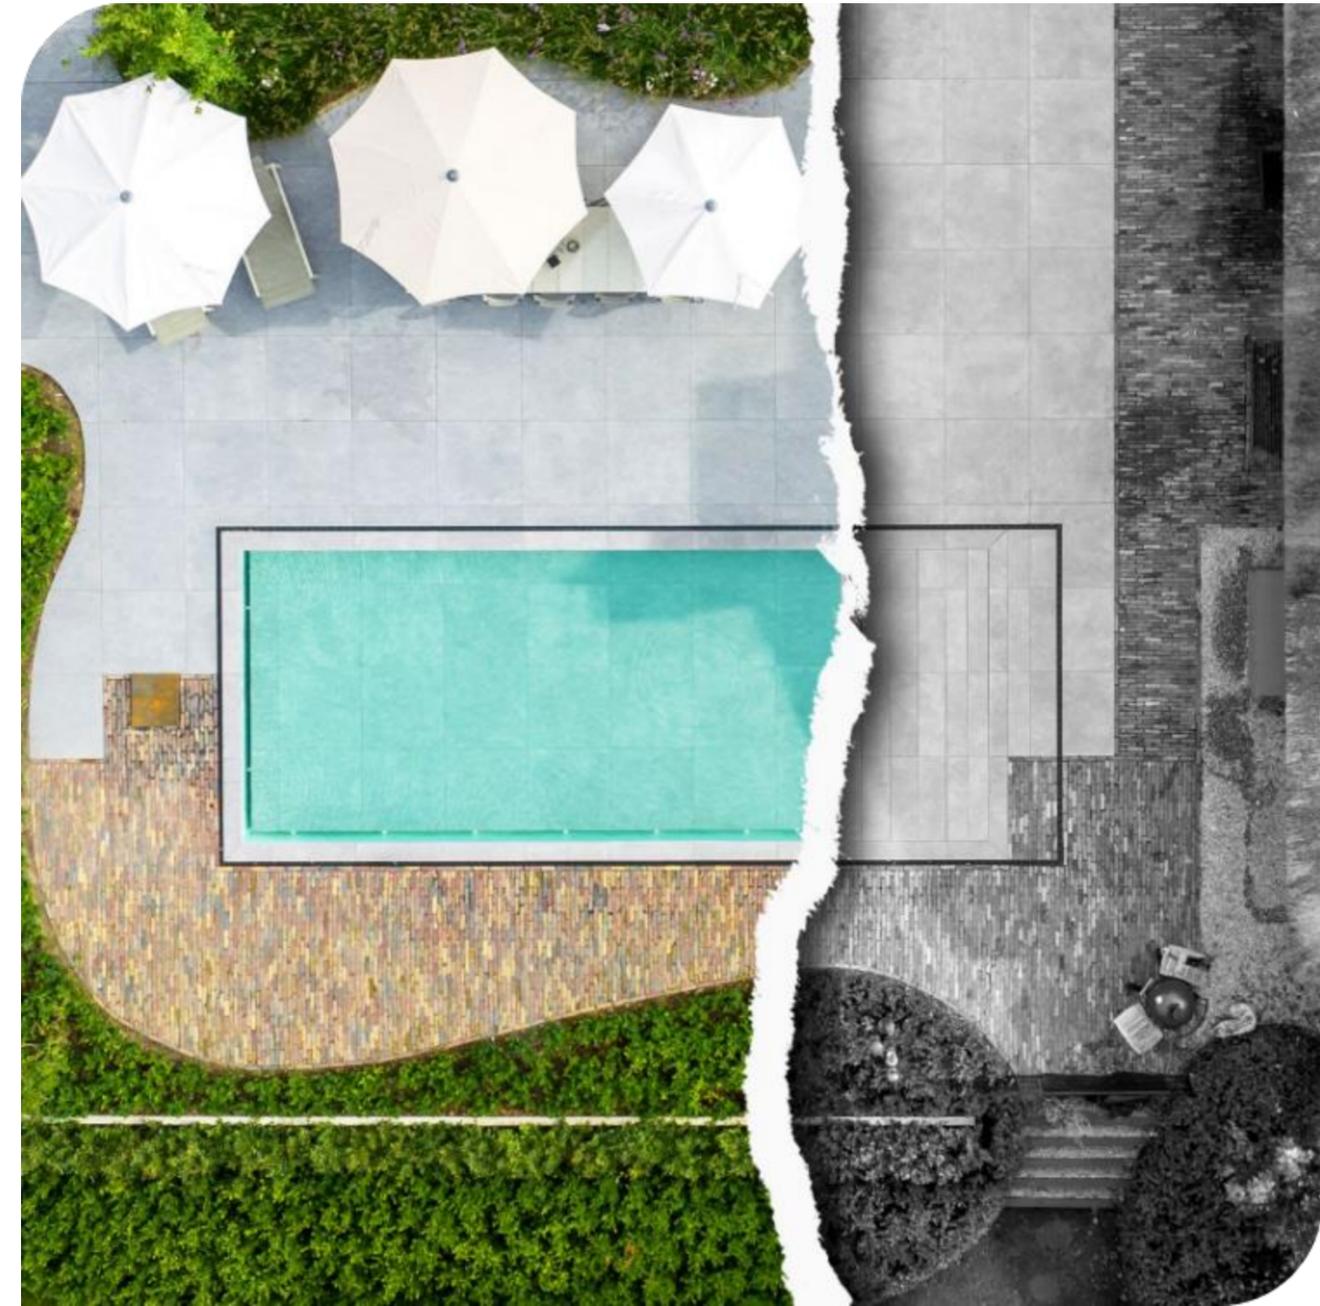

# New in the NIVEKO product portfolio

- Moving bottom technology has been on the market for a long time
- Complementing the existing portfolio with a technologically advanced High-End product
- Smart solution – NIVEKO construction complemented by moving bottom technology
- All the advantages of NIVEKO one-piece pools retained

# New in the NIVEKO product portfolio

- Unique NIVEKO solution – pool with a movable bottom included in one delivery
- Multifunctional space
- Timeless design
- Eco-friendly solution

# USP NIVEKO Motion Pool

- Flexible depth
- Adjustable depth from 0-150 cm
- Safe pool for everyone
- Raised bottom to ground level prevents anyone from entering the pool
- Space saving
- Maximum use of the garden space

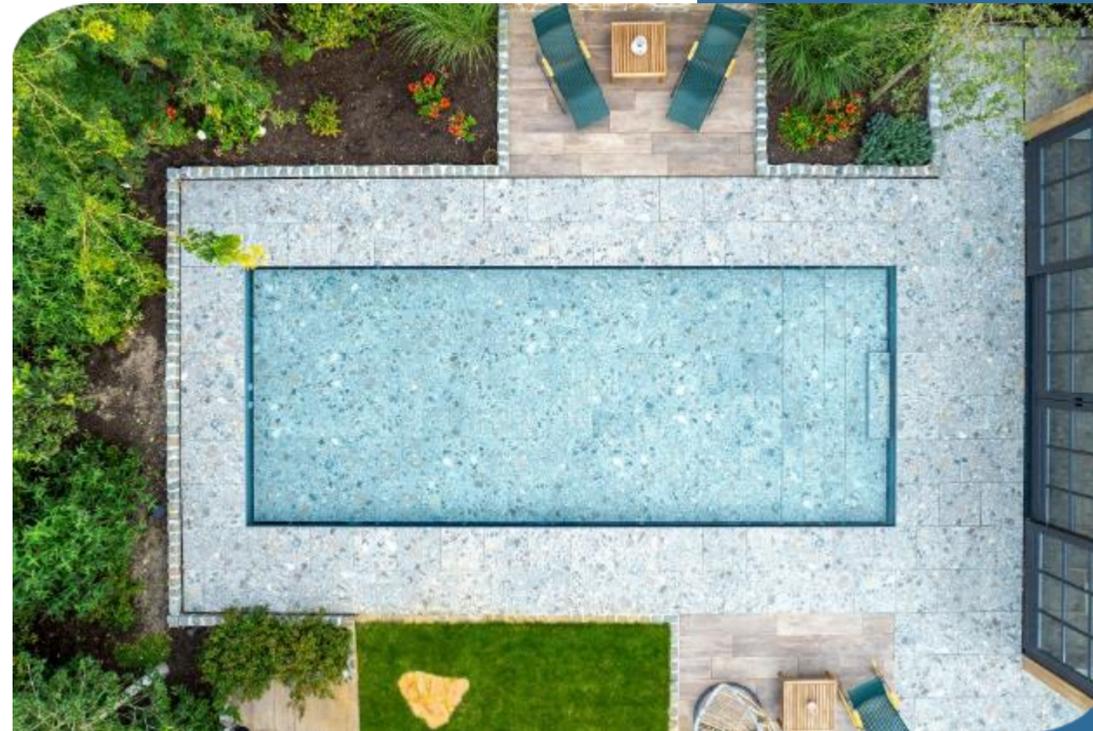

# USP NIVEKO Motion Pool

- Accessibility for all
- Children, adults, people with limited mobility...
- Energy saving
- Bottom prevents overheating, heat loss and minimises water evaporation
- No need to winterize the pool
- Just keep the circulation pump running
